No. 40 and fine,
Uva Ursi.
Veratrum Viride,

MYRRH.

SOLID EXTRACTS AND ESSENTIAL OILS.

Of solid medicinal Extracts we have those which are the product of our own laboratory, as well as those of the most reliable toreign and domestic manufacturers.

Of Essential Oils, we think our stock cannot be surpassed for variety or for quality.

We would especially invite attention to the Fluid Extracts, Syrups, or any article from our laboratory, both as regards price and quality, the latter especially, confident that the trade, as well as consumers, will find it to their advantage to make use of our preparations. The capacity of our laboratory has been quadrupled the past year; and having every facility of apparatus, room, and convenience, and working in much larger quantities than formerly, we are enabled to offer our products at reduced prices, and at the same time to assure our patrons that in regard to quality they cannot be excelled.

The foregoing list comprises a few of the Chemical and Pharmacestical Preparations of our own manufacture. We endeapor to lese, in addition, a full supply of all articles dispensed by Apothermies; all the preparations of the United States Pharmacopeda, and of the foreign Pharmacopedas and time time well as the numerous unofficinal preparations and remedies of value, introduced to the profession through the various medical and pharmaceutical journals. Each article is selected, imported, or manufactured with repecial reference to quality.
